### Defund Planned Parenthood by helping us send 323,999 baby socks to Congress

Planned Parenthood performed 323,999 abortions according to their own annual report last year.

Students for Life of America is going to send 323,999 socks to Congress to help them get the reality of the Abortion Goliath!

Nevada Students for Life needs your help to gather socks so we can send them to Students for Life of America! Please contact [nevadastudentsforlife@gmail.com](mailto:nevadastudentsforlife@gmail.com) if you are willing to donate socks or money for us to buy socks. This is an incredible way for each individual to stand up for life. We can meet up with you to pick up donations, and we will send them in! We need your help!

We will not stand for the lies that Planned Parenthood sells women. We have to mobilize if we are going to be successful.

Please consider donating so we can

SOCK IT TO PLANNED PARENTHOOD.

### Joint Statement from Bishops Pepe & Calvo

As many of you are aware, there is a bill in the Nevada Legislature to make doctor prescribed suicide legal in Nevada.

The bill is SB 261.

A basic principle of Catholic moral teaching is the value of all human life. Legalizing doctor prescribed suicide diminishes the value of life, and is an attack on all human dignity. We urge you to use the information which is provided below to make sure that your legislators know that you value human life, and that you oppose legalizing doctor prescribed suicide.

Use the

[URhttps://www.leg.state.nv.us/App/Opinions/79th2017/A/](https://www.leg.state.nv.us/App/Opinions/79th2017/A/) to go to the official website of the Nevada Legislature. It will bring up "Share Your Opinion With Your Legislators". Select SB 261 from the "Select Bill" drop down, and then go to the "Your View" line, and click on "Against". This will register your opposition to Doctor Prescribed Suicide.

For more information, see the bulletin board.
